

U MAGISTRA KELLY

Welcome to our little pub in Malá Strana

We believe that the best meals are those made from the heart, according to a traditional recipe with proper ingredients.

Semi-finished products are not allowed in our kitchen. We smoke sausages and pickle cucumbers ourselves.

At our place, the meat falls from the bone and our cracklings are homemade.

Do you like our little place? Spread the word. Is there anything you don't like? Let us know.

Bon appétit!
Káťa and Tomáš
